God continues to help His people through trials. Surgeries, loss of loved ones, health issues, concern for loved ones, travels, relationships, finances and more are some of the hurdles our people have faced in the past month. Together, Pine Run Church of Christ

we pray for and encourage one another. We are thankful for God’s help and blessings through these times.

God continues to open doors of opportunity to be a blessing to more and expanding the impact of our ministry for Jesus!

**RATED PG** can help you develop a program that you can follow that can help you become more specific and effective in your prayer life. Meet with Paul and help develop a plan for your growth!

Join us to better understand these NEW Testament books. We will start each week with any questions or comments that people have from the previous weeks reading. We will then pursue that day’s study. We will see how God works through good and difficult situations to reach others with His love. Recognize how He can work through the situations that you are dealing and be better prepared to be the blessing that He wants you to be!

Come with your questions and comments. Know that your presence will be an encouragement to others!
