OLD TESTAMENT

Last month we read about:

- Transition
- Taking the Land
- Distributing the land
- Settling the land
- God helping in crisis

This month we will spend time learning about the development of a monarchy and how quickly “times of peace” go away.

NEW TESTAMENT

The Gospel of Luke is a historians approach. Luke, a doctor, interviews eye witnesses to the ministry and life of Jesus. God works through Luke to present an orderly account of Jesus’ life.

Time is spent on “background” information, God putting pieces into place, early years of Jesus’ life, teachings about the Kingdom and far more information about the last year of Jesus’ earthly ministry.

Take the time to read about Jesus, information you can’t find anywhere else.

Take Time to Talk to God!

Our Prayer Warriors are seeing God open doors and work in their communities! God is uniting believers, creating relationships with business and government officials.

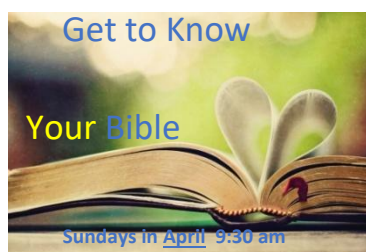

We continue to pray for individuals, as several of our people have been hit with illness. We pray for their family members who are dealing with issues as well.

We give thanks for all that God is doing and providing for the ministry at Pine Run. We see work around the country and world being done, as God blesses.

Join us in praying for:

- **Our respective communities**
- **Growth of the Kingdom**

RATED PG can help you develop a program that you can follow that can help you become more specific and effective in your prayer life. Meet with Paul and help develop a plan for your growth!

Join us to better understand these NEW Testament books. We will start each week with any questions or comments that people have from the previous weeks reading. We will then pursue that day’s study. Learn with others as we address issues that you might not have thought about. Learn about and appreciate others and their walk with the Lord.

We will be focusing on how we can become stronger and more committed.
