OLD TESTAMENT

Last month we read about:

- Blessings of Obedience
- Punishment for Disobedience
- Challenges of the prophets
- People had the leaders they “deserved”

Discover how those leaning on their own wisdom, ended up dividing the people, leading away from God and causing suffering and death. See how the faithful need to persevere, even if they are not supported by the government or society.

NEW TESTAMENT

As we finish the Gospel of Luke we see the “historian” at work laying things out chronologically.

John will write about the Life and Ministry of Jesus with the purpose of leading people to a personal relationship with the Lord.

Take the time to read about Jesus, information you can’t find anywhere else.

**Take Time to
Talk to God!**

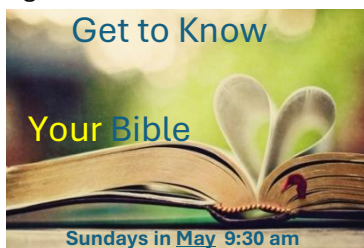

Since we started our PRAYER WARRIORS, God has worked to establish 10 communities with National Day of Prayer programs. He has led us to become the coordinator for SAGINAW COUNTY to build up and expand prayer efforts there! He is bringing together government and business leaders from Genesee and Saginaw County that are now looking to us to help establish a corridor that will bring blessing to the

area. God is raising up Christians in Flint to help transform the southern portion of the corridor. Relationship with the Ojibwe would enable us to help share God with them and provide access to schools throughout Genesee and Saginaw Counties.

We continue to pray for individuals, as several of our people have been hit with illness. We pray for their family members who are dealing with issues as well.

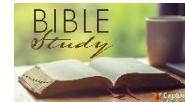

We give thanks for all that God is doing and providing for the ministry at Pine Run. We see work around the country and world being done, as God blesses.

RATED PG can help you develop a program that you can follow that can help you become more specific and effective in your prayer life. Meet with Paul and help develop a plan for your growth!

Join us to better understand these NEW Testament books. We will start each week with any questions or comments that people have from the previous weeks reading. We will then pursue that day’s study. Learn with others as we address issues that you might not have thought about. Learn about and appreciate others and their walk with the Lord.

We will be focusing on how we can become stronger and more committed.
